As you look through this book of memories you will see familiar people, places and things. How could we forget the mad rush to be the first on the bus for the trip to the football game in Lubbock, our foreign exchange student, Arnfinn Blakstad, those ever faithful teachers aids keeping us out of the buildings at lunch, or the hurry to be on time for that next class.

Maybe if I come back my senior year we can really have the teachers hell. You are really a great guy Jeff (and don't say I know it.) Hope to see you around. Bye! Friends Always

Each one of us has different memories of 1978. We remember our friends, our teachers, our activities and special places. Football games, tennis matches, volleyball games, student elections, school spirit, coaches and teachers all mean something special to each of us.

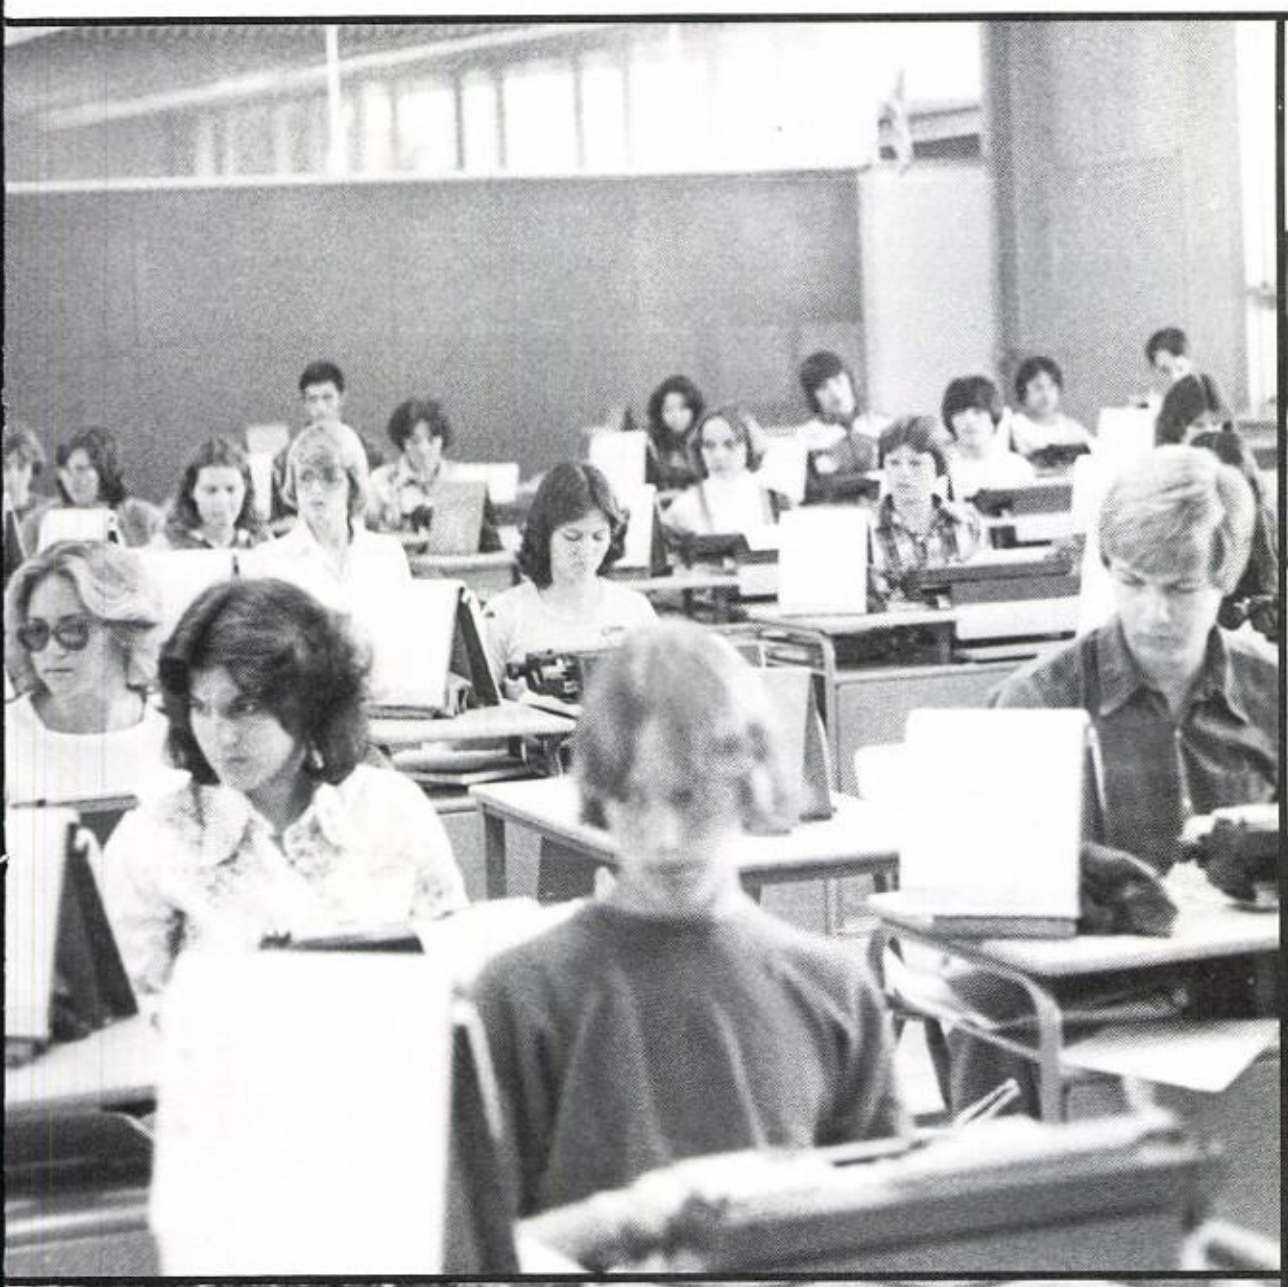
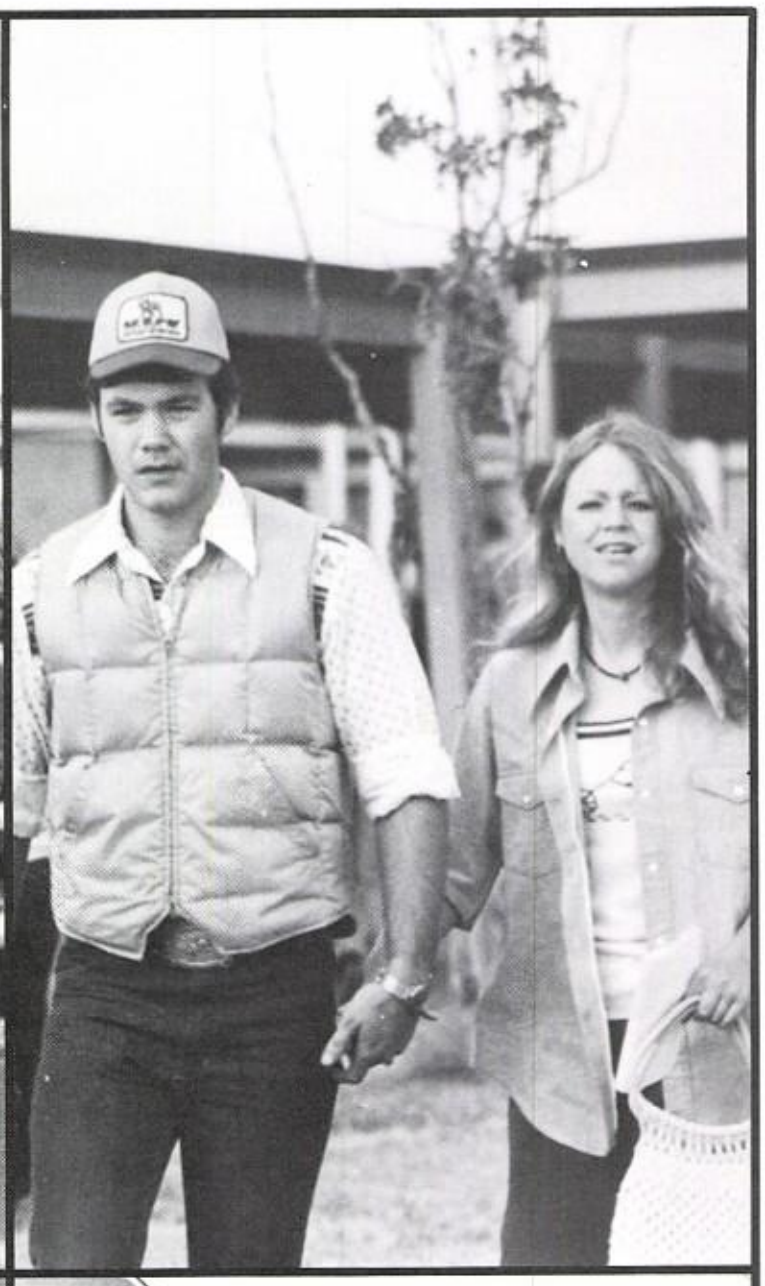
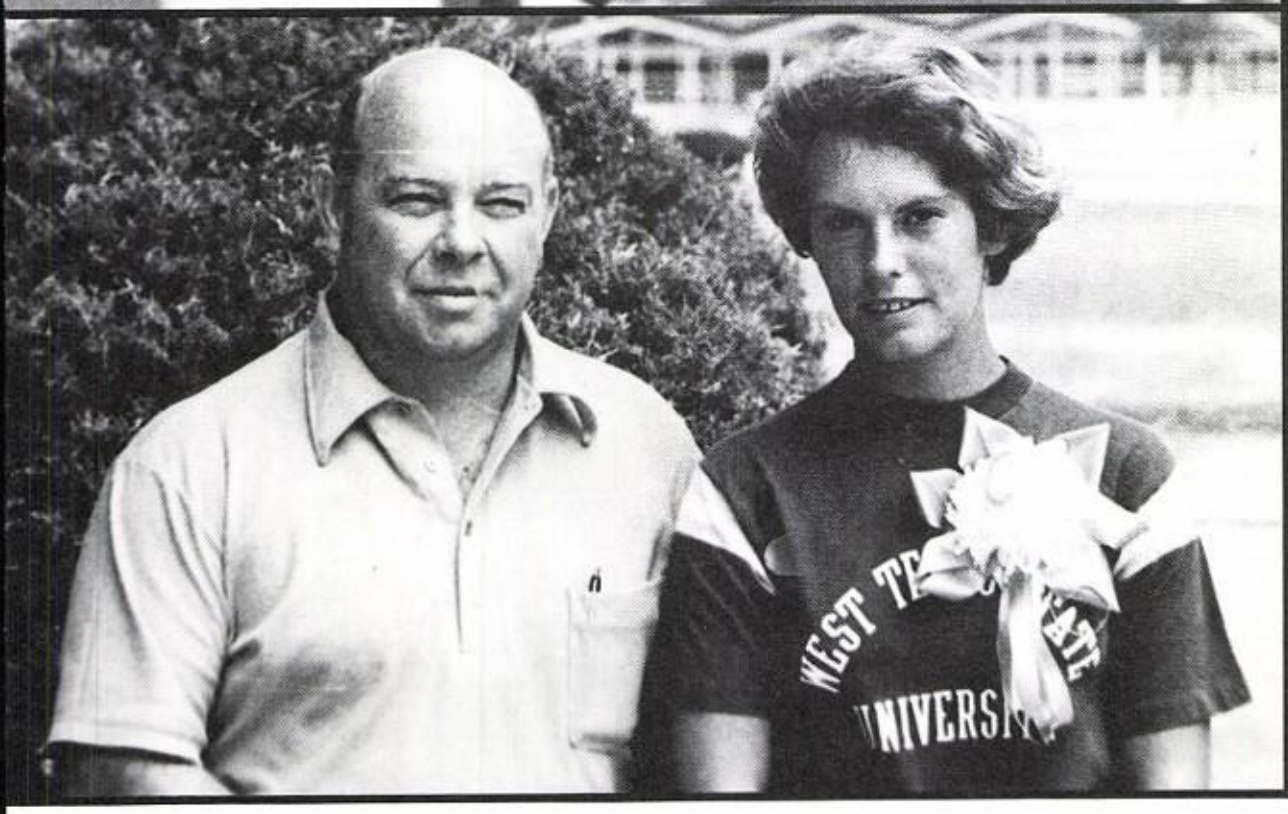
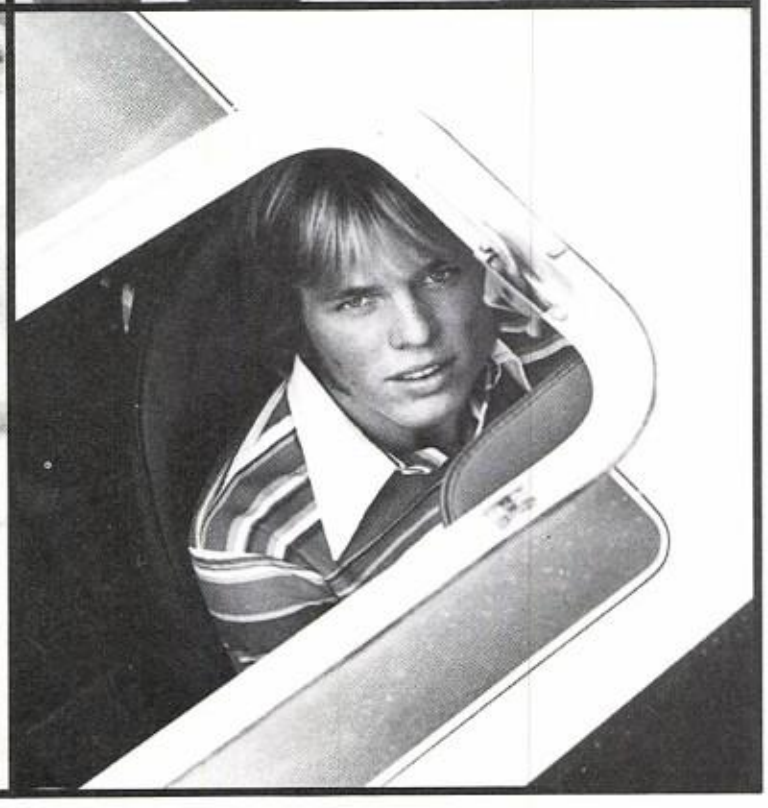
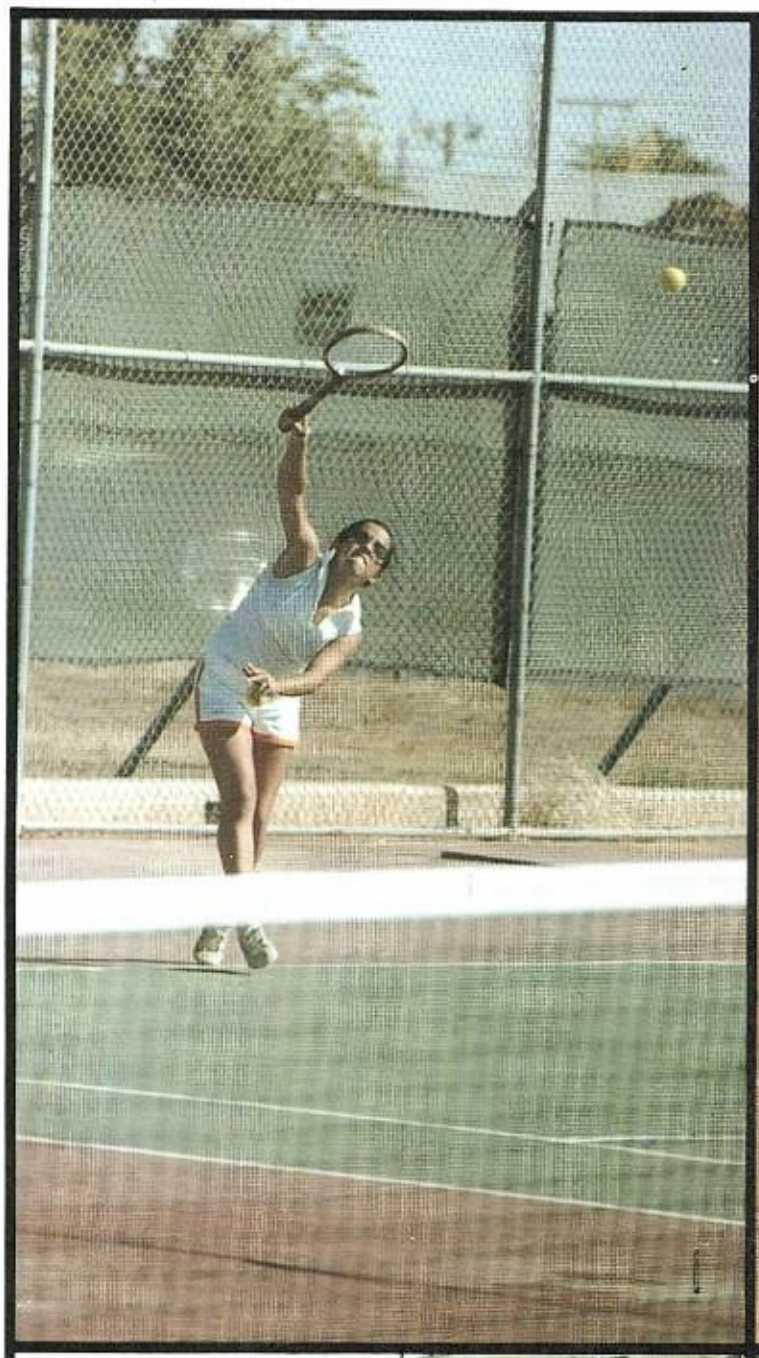
Memories of Caprock will always be with us. We treasure thoughts of friendships, Homecoming mums, favorite cars, weekly student council meetings, football games and bus trips. As we grow older and our memories begin to fade, we can look at this book and relive our memories.

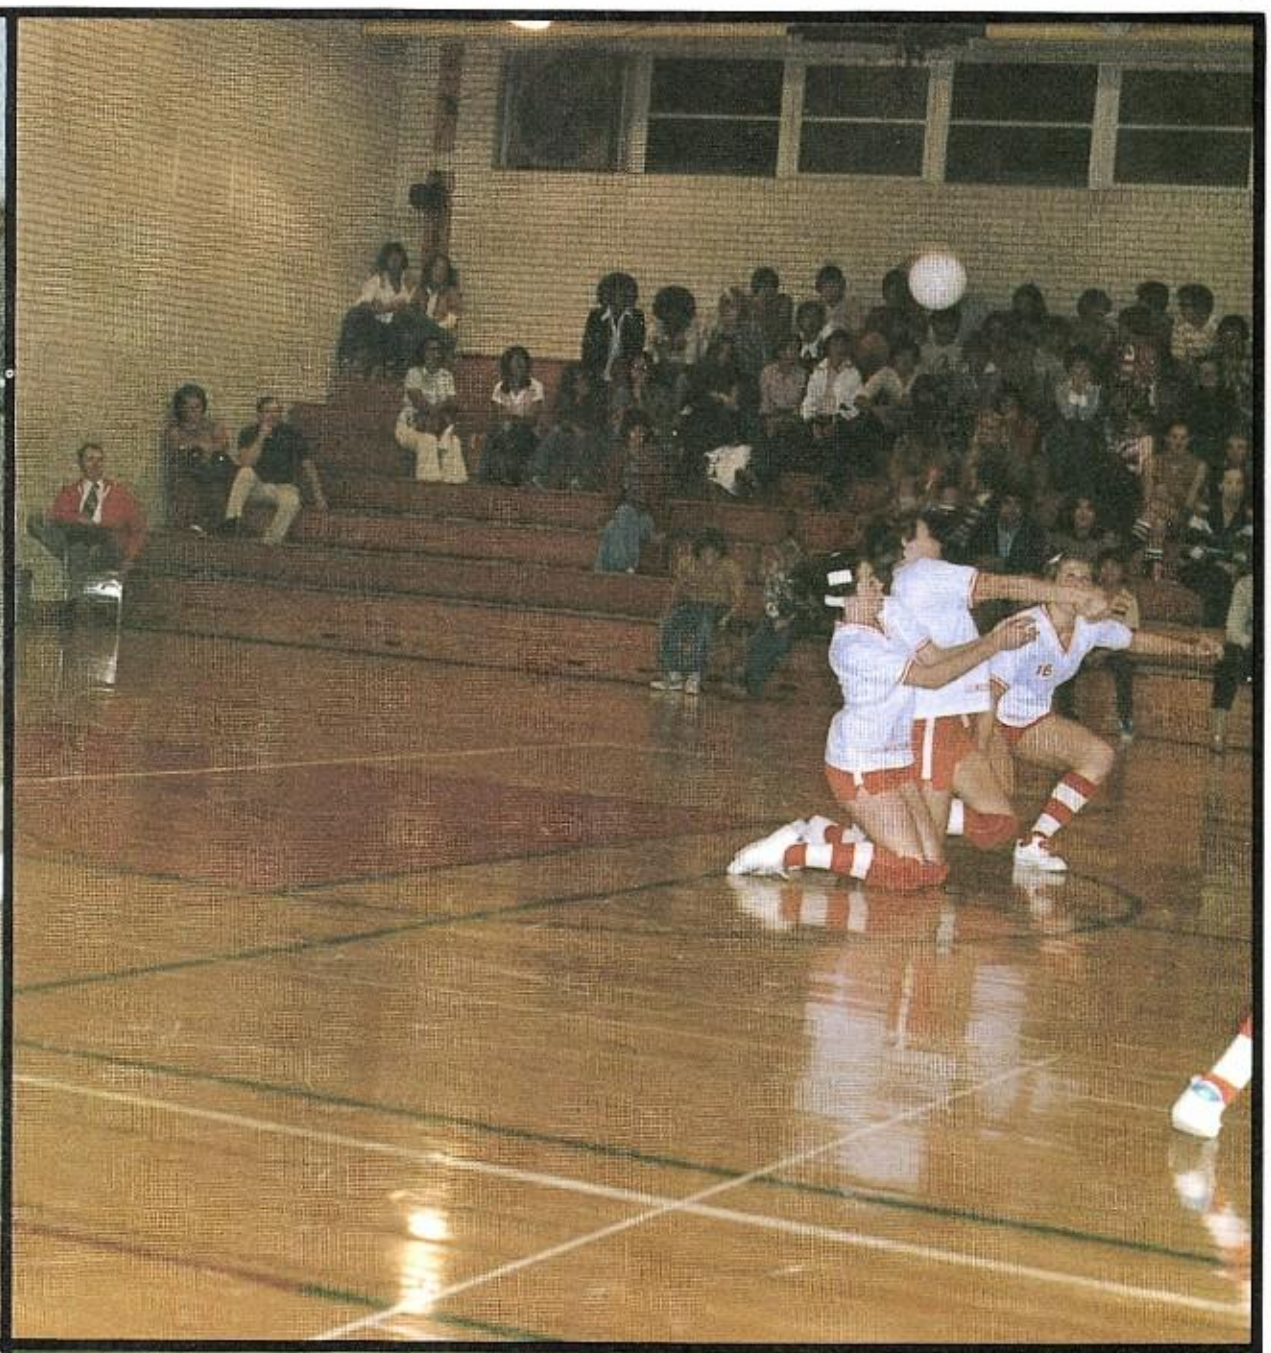












Memories are times to always look back on and treasure. We remember the pride of Caprock, the unity of friendship, the thrill of success and the disappointment of failure. Some of our memories may be beautiful and yet there are also times too painful to remember.

We Do These Things

The things we do and the places we go are all a part of our lives. We participate in school activities as well as outside activities.

We buy items from the different school clubs. These range from hats, caps, and scarfs to pens and shampoo.

After school hours our support is given to sports. We go to tennis matches, volleyball games, football games, basketball games, track meets, wrestling matches and any other sports events.

We spend five days a week, seven hours a day in school. This routine starts in August and ends in May.

Pep Rallies Brighten Fridays

Keeping up Caprock's spirit is one duty of our cheerleaders. The cheerleaders prepare pep rallies for each football game. They must prepare a skit, paint banners, and organize the pep rally.

To help raise spirit the band plays at freshman and varsity pep rallies.

Homecoming Princesses are presented at the Homecoming pep rally. Students are rewarded for participating in different types of spirit contest at pep rallies.

We go to games to back our teams when they win and when they lose.

After every pep rally and every game the students stand to sing the school song.

Arnfinn Makes New Home With Mata's

Arnfinn Blakstad came to America from Norway for the 1977-78 school year. He is staying with Mr. and Mrs. Joe Mata and their children Daniel, Eddie, and Gloria who attend Caprock.

While in America Arnfinn has taken trips to Colorado, Dallas, New Mexico and McDonalds.

Although Arnfinn is classified a Senior in America he has two more years of school in Norway.

Dances at Caprock are a part of the tradition that has been carried out for many years with clubs taking the responsibility of sponsoring the dances.

Even if you don't dance you can come to the dances. Ping Pong and Foosball were a big hit this year.

Student Council's Halloween dance included costume judging, bobbing for apples, a dance contest and witches brew.

A Merrier Christmas for All

To begin the day of December 16, Student Council members greeted children from the High Plains Childrens Home and the Childrens Cottage. After all children were met by their representative, they reported to the assigned homerooms. Several homerooms gave parties in the cafeteria while others stayed in the rooms to get acquainted.

Everyone then went to the auditorium for the assembly. Drama students presented Christmas skits, and the Sunshine Singers furnished entertainment before Mr. and Mrs. Santa Claus and the elves arrived.

Each child received a gift furnished by homerooms. Great joy and happiness was displayed as they opened their gifts.

Arnfinn Blakstad received Cowboy boots, shirts and belts from the clubs at Caprock.

After all the presents were opened and checks were presented to the homes the show went on. John Skidmore, Richard Thompson, and Jimmy Evenson swallowed a total of three dozen raw eggs. Alvin Raef swallowed a gold fish.

the blue sky energy

We can't take credit for it. That's just the way it happens to be. Natural gas is clean burning. Doesn't dirty the air. It helps preserve the clean, blue skies of today for tomorrow.

What we can take credit for is working to provide a continuous supply of clean gas energy . . . to warm people, to cool people, to cook their meals, to heat their water, to dry their clothes . . . gas to help industry do its work.

Clean, efficient, versatile Natural Gas . . . the blue sky energy for today and tomorrow.

Combining the best of flight training, business and personal flying.

Get your dreams off the ground.

You're a certificated pilot. Or, if you're like most people, you've always wanted to learn to fly.

Either way, our Beech Aero Club is ready to help you put it all together. Flying, family and fun.

First, you'll enjoy flying our Beechcrafts, the world's finest airplanes: including the Beechcraft Sierra, the Beechcraft Sundowner and the Beechcraft Sport. All of them, meticulously maintained by factory-trained mechanics.

Second, our club is professionally managed. Our facilities are up to date and our club pro is there to organize the schedule of flying activities the members want. Skilled travel planning is available from the pro.

Third, we are proud of our flight school operation. Skilled flight instructors and the most modern and advanced ground training aids get the beginning student into the air faster and licensed pilots to their advanced ratings sooner.

Call us for more information. And get your dreams off the ground today.

Memberships as low as $99 per year.

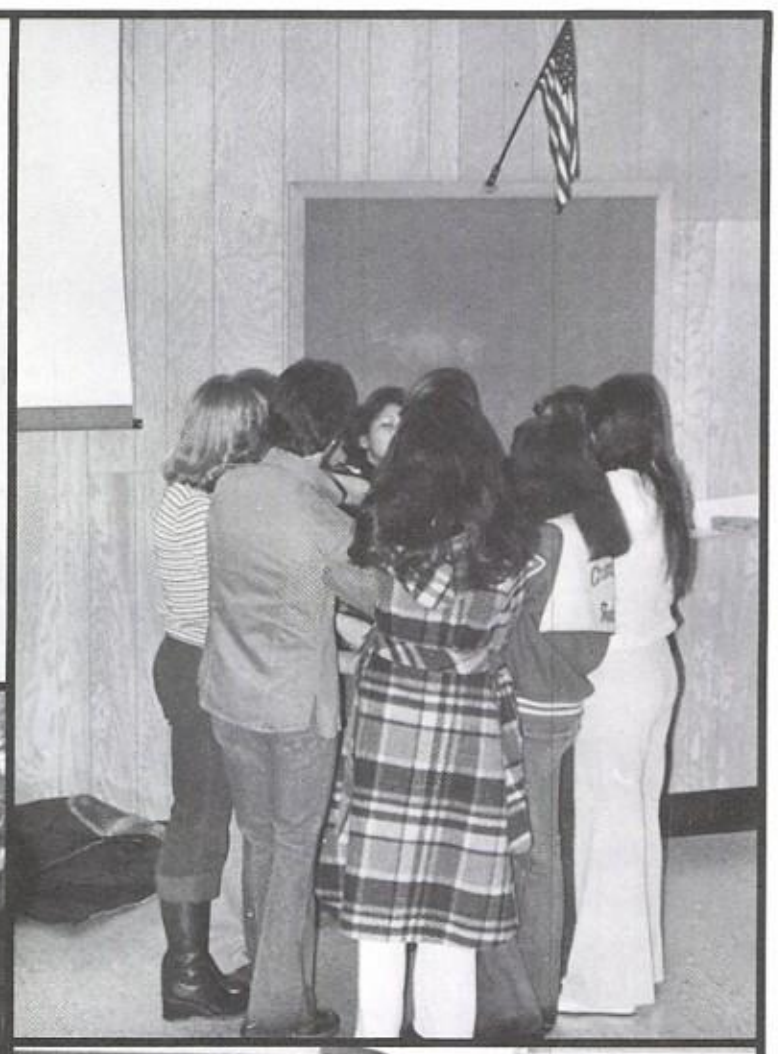
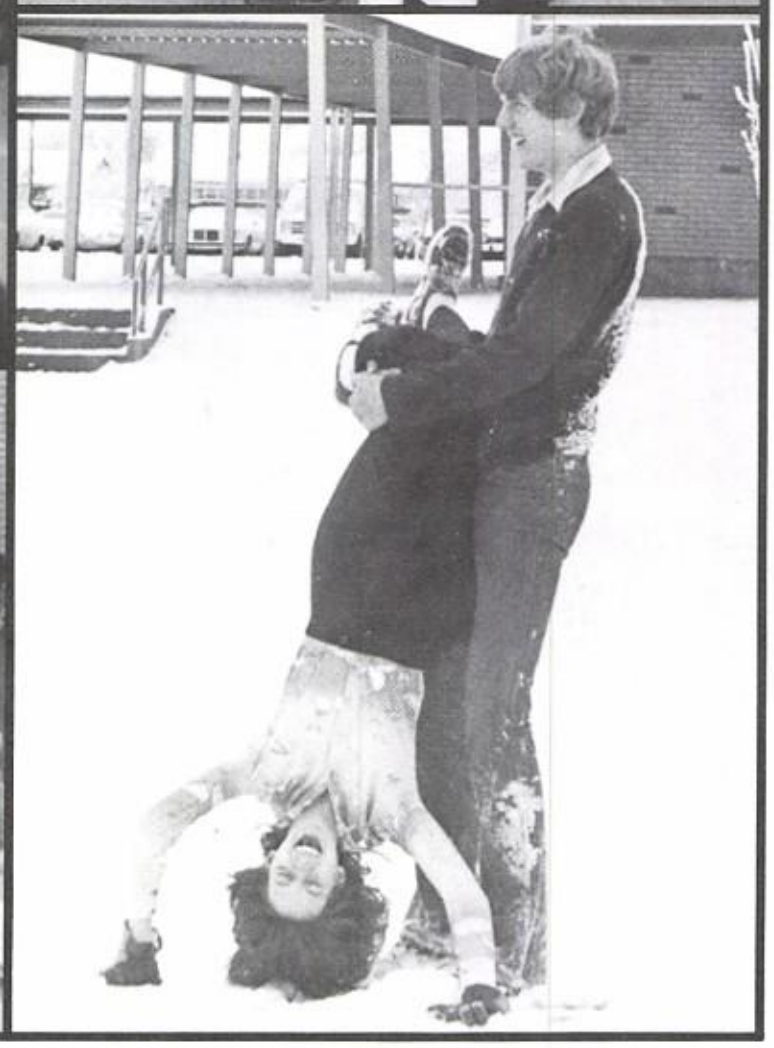
As this book comes to a close, we refletct back on our many memories of Caprock High School. Each of us has different memories of friends, teachers, classmates, and activities. Hopefully as we look at this book, our memories will be stirred, and we will remember 1978 as an unforgetable year in our lives.





The 1978 La Sage, Caprock High School yearbook, was printed in Dallas, Texas by Taylor Publishing Company. All copies of the 700 copy press run were printed on 70 lb. matte finish enamel paper. The cover is a 4-color lithograph process printed on white arco cloth and care-made on #15 binders board. Headlines were set in Vogue Bold Italic with body copy being set in News Gothic 8 pt., 10 pt. and 12 pt.

Portraits in the class section were taken by Fred Potter of Fred Potter Studios. Other photographs were taken by head photographer, Bobby Dean, and photographers Tim Torres, Rick Shelton, Mike Helton and Jan Gilvin.

Advertising rates for the La Saga are as follows: full page, $100; one half page, $80; and one-fourth page, $60. Advertising is sold in conjunction with the other three high schools in Amarillo.

The La Saga covers the school year from August 25 through February 13.

La Saga holds membership in the Panhandle High School Press Association, Southwestern Council of Student Publications, Texas High School Press Association, Interscholastic League Press Association, and Columbia Scholastic Press Association.

Taylor Publishing Company's representatives are Mr. Floyd Hobson and Doug Altom. La Saga advisor is Luinda Verden.
